Planning your summer projects?

Affordable home improvements can help increase your home's resale value. If you're planning to sell your home or would like to make some changes to make you feel more at home, here are some ideas that can boost your home's value without putting too big of a dent in your budget.

- Paint bathroom or kitchen cabinets instead of replacing them
- Create extra space and function
- Update faucets, hardware and/or light fixtures
- Enhance the curb appeal with landscaping or new doors
- Freshen up the paint inside and out

Sharing Information (or NOT Sharing)

Fraud is on the rise, and sharing personal information through the internet or phone can put you at risk!

- If someone requests your account number online, there's a good possibility it's fraud.
- NEVER give out your account number online or over the phone.
- Never give out personal or financial information over the internet or phone.
- If you receive a suspicious email from a "friend", verify they sent it before opening any attachments.
- Use PayPal or another trusted payment method to prevent fraud.
- If paying for an online purchase, verify that it's a trusted source.
- If you suspect fraud or see an unusual charge to your account, give us a call ASAP.

Mobile and Online Banking

Mobile and Online Banking puts convenience right at your fingertips and lets you bank anytime, anywhere. If you're new to FPSFCU, or just haven't signed up yet, take a look at our website or download our app to see all of the features which offer you convenience without sacrificing security.

Spring 2019 Shred Event

Thank you to everyone that came out to our first shred event that was held on Saturday June 1st. The Shred Event was a great success and about 1,400 pounds of documents were collected to be shredded. Coffee, cookies, and donuts were provided along with the great opportunity to visit with members and meet with others eligible for membership. Our next Shred Event will be held at our North Office on **September 14th** from **10:00am to 1:00pm**.

These are some items that should be shredded after they are no longer needed:

- ATM Receipts
- Bank Statements
- Canceled and Voided Checks
- Documents relating to old investments
- Credit Reports and Histories
- Credit Offers
- Employee pay stubs
- Medical records
- Tax forms
